Line up your financial strategy with your goals

Use My Financial Path

When you're going to a theme park, it may be a good idea to hit the best rides first before the lines get too long. My Financial Path is also a great place to start when it comes to staying on track toward your financial goals. You can access this valuable resource from your plan website's homepage — with no waiting!

One feature of My Financial Path is the Next Step Evaluator, which can help you create a tailored strategy based on your financial situation. All you have to do is answer a few simple yes or no questions, and you'll get a financial action plan for your personal goals.

Visit the Learning Center

Another feature of My Financial Path is the Learning Center, which you can access in a couple quick and easy steps. Simply log in to your account and click on the *My Financial Path* link at the top of the page, and you'll be on your way to a variety of tools and resources that can help you get your finances going in the right direction.

You can easily access financial wellness information and take advantage of the educational content available on the Empower Retirement Learning Center to really get you moving toward your financial future.

- Gain access to numerous planning, saving and investing calculators.
- Get in the know with a variety of relevant and educational articles.
- Take advantage of many interactive resources and calculators.

You can also learn at your own pace by taking advantage of the interactive learning modules. Learn when it's convenient for you by selecting any of the following options:

- Creating a budget
- Saving for college
- Planning for retirement
- Managing debt
- Buying a house
- Family conversations about money

Investing involves risk, including possible loss of principal.
